## COMPLAINTS POLICY

### PURPOSE

The purpose of this policy is to:

- provide an outline of the complaints process at Brunswick South West Primary School (BSWPS) so that parents and members of the community are informed of how they can raise complaints or concerns about issues arising at our school
- ensure that all complaints regarding BSWPS are managed in a timely, effective, fair and respectful manner.

### SCOPE

This policy relates to complaints brought by parents, carers, students or members of our school community, and applies to all matters relating to our school. In some limited instances, we may need to refer the complainant to another Department of Education and Training process where there are different mechanisms in place to review certain decisions - for example, expulsion appeals.

### POLICY

BSWPS welcomes feedback, both positive and negative, and is committed to continuous improvement. We value open communication with our families and are committed to understanding complaints and addressing them appropriately. We recognise that the complaints process provides an important opportunity for reflection and learning.

We value and encourage open, respectful and inclusive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- be considerate of each other's views and respect each other's role
- be focused on resolution of the complaint, with the interests of the student involved at the centre
- act in good faith and cooperation
- behave with respect and courtesy
- respect the privacy and confidentiality of those involved, as appropriate

- operate within, and seek reasonable resolutions that comply with, any applicable legislation and Department policy
- recognise that schools and the Department may be subject to legal constraints on their ability to act or disclose information in some circumstances.

### **Preparation for raising a concern or complaint**

BSWPS encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues they would like to discuss
- remember that you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department and BSWPS (see “Further Information and Resources” section below).

### **Complaints process**

BSWPS is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to a child's teacher. Where possible, school staff will work with the complainant to ensure that all concerns are appropriately addressed.

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- 1. Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Assistant Principal or Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
- 2. Information gathering:** Depending on the issues raised in the complaint, the Principal, Assistant Principal or their nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
- 3. Response:** Where possible, a resolution meeting will be arranged with the Principal or Assistant Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.
- 4. Timelines:** BSWPS will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, BSWPS may need some time to gather enough

information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, BSWPS will consult with you and discuss any interim solutions to the dispute that can be put in place.

## Resolution

Where appropriate, BSWPS may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, BSWPS may also ask the complainant to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

## Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to the Regional Director at the North-Western Victoria Region by contacting 1800 338 663 or [enquiries@education.vic.gov.au](mailto:enquiries@education.vic.gov.au)

BSWPS may also refer a complaint to North-Western Victoria Region if we believe that we have done all we can to address the complaint.
