

2023 PARENT PAYMENT ARRANGEMENTS YEAR 5

Dear Parents and Carers,

Brunswick South West Primary School is looking forward to another great year of teaching and learning and would like to advise you of Brunswick South West Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to enrich learning areas in Literacy, Numeracy, Chinese Language, Visual Arts, Kitchen Garden and PE. Voluntary contributions have enabled us to continue with upgrades to our building and grounds including playgrounds and air conditioners in classrooms as well as purchasing new books, furniture, and shelving for our library. Without your contributions, many of these things may not be possible.

Please find attached Brunswick South West Primary School's voluntary financial contributions schedule for 2023, which includes an overview of what your contributions will help us to provide.

The Department of Education guidelines now mandate that schools are unable to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule attached for an indication of the suggested contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Emma Fuller
Principal
