Dear Parents and Carers,

Brunswick South West Primary School is looking forward to another great year of teaching and learning and would like to advise you of Brunswick South West Primary School's voluntary financial contributions for 2026.

Victorian Government schools such as BSWPS provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. However, the department funding alone is not sufficient to provide for all of the education and support programs that the school provides. For this we rely on voluntary financial contributions from our families. The ongoing support of our families ensures that we will continue to offer the best possible education and support for every child at BSWPS.

Voluntary contributions have enabled us to continue with upgrades to our building and grounds including playgrounds and air conditioners in classrooms as well as purchasing new books, furniture, and shelving for our library. Without your contributions, many of these things may not be possible.

Please find attached BSWPS's voluntary financial contributions schedule for 2026, which includes an overview of what your contributions will help us to provide.

Although most families make a voluntary payment, there are other ways of supporting the school such as through fundraising or volunteering your time. We want to thank you for all your support, this has made a huge difference to our school and the programs we can offer.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Principal

School Council President
